

Emmanuel Community

We create home for older adults, wherever they choose to live.

Emmanuel Community Volunteers
are Invited

to a **Volunteer Appreciation**

Thursday, April 28, 2011

2:00 pm

Emmanuel Community's
Forest Conference Center

A light lunch will be provided.

Please use the Chapel/Conference Center Entrance.

Beach Blast

Emmanuel Community residents, staff, and volunteers enjoyed a February "Beach Blast". Dining Director, Wanda Piemonte, and staff served up fabulous appetizers and beverages.

Joey ZaZa, Zorbaz of Detroit Lakes bartender, mixed up some summer drinks. The most popular drink was the "Jamaican 10-speed".

Everyone enjoyed dancing to music by Tim Eggebraaten. One resident comment was "this place can't be a nursing home..., we just have too much fun around here!"

Leaving a Legacy...

How do you want to be remembered?

Your planned gift to Emmanuel Foundation is a meaningful legacy that will plant the seeds for tomorrow's senior care. Legacy gifts not only make a difference in the lives of others but also assures you are remembered and honored long after your donation is received.

Some legacy gifts can be made without changing your will and often can ease or even remove the burden of taxes that might otherwise come to your heirs. Plan now so that your loved ones are taken care of while still creating your own legacy with charitable gifts.

Naming Emmanuel Foundation as a beneficiary in your will, life insurance policy or retirement plan shows that you appreciate the quality of care and service that Emmanuel provides and helps maintain that care for seniors in the Detroit Lakes area long into the future.

Charity Benefit

Funds raised from this years Charity Benefit were used to purchase 30 large, comfortable specialized beds for Emmanuel Nursing

Home. One of our donors, Peggy Hilleboe, remembers the first night her husband, Peter, laid down in one of these large beds and said "This is heaven." Other residents of Emmanuel Nursing Home will now enjoy this same experience. The specialized beds have now arrived.

Thank you to everyone who participated in our Charity Benefit 2011.

Learning basic computer skills are proven to help seniors sharpen their memory, build confidence, and promote overall cognitive fitness. That's why Ecumen Emmanuel DL offers our ECUMEN Connects program where residents, families, friends, and staff can stay connected through the internet. Using Sitelligence technology we now have the ability to stay connected with each other and the community. Participants will have access to e-mail, monthly calendars, newsletters, brain fitness games and much more.

Would you like to become more connected? Visit www.emmanueldl.org and click on Ecumen Connects to request your password.
