Welcome

Marita Palya is the new admission specialist for Ecumen’s Emmanuel Community. Palya currently lives in Downer, MN, and will spend time between area hospitals and her Emmanuel office.

“I’ll be meeting with the patients and families, talking to them about Post Acute Care and services that we have here and coordinating the transfer,” said Palya, who spent eight years working as the regional clinical liaison for Kindred Hospital in

Fargo. Marita is looking forward to working in Detroit Lakes. Her father is moving into Emmanuel’s apartment known as “The Madison.” “I’ll be working on the same campus as he is, so I’m really looking forward to that.”

Thank You

Christmas Shopping

"Christmas at Emmanuel" proved to be a delightful day of shopping, eating, visiting and sparking the Christmas spirit at Emmanuel Community. The Emmanuel Auxiliary hosted a fine "Treasure Sale" and bake sale of Christmas goodies. There were 17 vendors who had tables of wares for sale. Residents, staff and visitors from the community shopped and walked away with bags and bundles of Christmas gifts for family and friends. Emmanuel also offered a holiday lunch of soup and sandwich to sustain the shoppers.
